## PICOLIT "RONCO CUCCO" COLLIO 2009

**Category:** Picolit DOC Collio

**Grapes:** 100% picolit

**Vineyard name:** Ronchi San Giovanni

**Soils:** Sandstone-marl

**Orientation:** Northeast-southwest

**Elevation:** 80 metres

**Training system:** Guyot

**Harvest:** 22 October 2009

**Production in bottles:** 1,400 500ml bottles

**Vinification:** After drying naturally for 30 days in special rooms, the clusters are pressed and the must ferments in small oak casks until it reaches approx. 14° alcohol. It then matures a further year.

**Sensory profile:** Ronco Cucco is a rare and precious wine since the selection of grapes for its production is extremely severe. It appears gold-yellow and boasts a multi-layered bouquet of apricots, dried figs, and acacia blossom, with a hint of citrus. It is sweet but not cloying, with aromas of honey and well-ripened fruit.

**Serving suggestions:** With its long-lingering sensations, it makes a fine sipping wine (vino da meditazione), but it partners well with blue cheeses, foie gras, and petits fours. Best enjoyed at 10°C.

**Technical data: Alcohol:** 13.2% –  
Total acidity: 5.6g/l
