THE WINERY

Founded in 1499, Tenuta Villanova is nowadays the longest-living winery of Friuli Venezia Giulia. The property covers approximately **495 acres**, from the high banks of Isonzo river, to the Collio hills. Tenuta Villanova produces excellences in both sectors of wine and distillation.

In 1932 the property was acquired by Arnaldo Bennati. Today it is run by his wife Giuseppina Grossi, expertly combining the respect for the traditions with the enthusiasm for the oenological future.

A LOGO, A WORLD: OURS.

Redesigning the old map of the Estate, our new world has born: a unique and iconic logo which encloses the love and respect for our most precious jewels: **the vineyards,** Our beating heart, the winery, is represented in the center as it is in the reality.

Value over time.

Three iconic wines, guardians of the preciousness of Tenuta Villanova. In “**Fraia**” (“Festa”, in our dialect) the power of wild berries explodes thanks to the character of Refosco dal Peduncolo Rosso;

“**1499**” expresses the character of the “Ponca” of Eocene origin, the marl that gives this white blend unique elegance and minerality.

Macerated Malvasia is pure terroir: elegant, of great length and structure, white for aging, evolution of the single variety in time.

Shelf life

From 6 to 8 years from the harvest, depending on storage conditions.

Cork

One-piece natural cork.

Tasting notes

Intense yellow with golden reflections. Enticing but delicate nose expressing the fragrance and elegance of the varieties of the blend. Very pleasant to the palate, it also is lively and refreshing.

Food pairings

Great with starters, main courses and risotto with prawns, vegetables and aromatic herbs. Nice matching also to crustaceans -or fish- soups. To be served at 12°C.

FRAIA

ROSSO VENEZIA GIULIA IGT 2016

Soil

Alluvial pebbly soil with high drainage. Its geological origins come from deposits of the Quaternary era, then followed by ancient floods (Pleistocene) and more recent ones (Holocene) of the Isonzo river.

Shelf life

From 10 to 15 years from the harvest, depending on storage conditions.

Cork

One-piece natural cork.

Tasting notes

Deep ruby red with slight violaceous reflections, due to the Refosco. To the nose emerge aromas of marasca cherry, red fruits and wild berries, but also spicy and balsamic notes. Overall, it promises great pleasure. To the palate these sensations correspond and are amplified.

Food pairings

Its long aftertaste matches outstandingly succulent dishes of meat, game and also aged cheeses. We recommend the use of a proper balloon glass and a serving temperature of 18°C.

MALVASIA (MACERATA)
